RE:

Island Taxi and Shuttle

Amendment as to Capacity (15 Passenger)

Trisha,

I appreciate your receiving this letter on short notice. Our law firm is helping the above-referenced Island Taxi and Shuttle with regard to certain regulatory matters under the jurisdiction of your Commission. Cleveland C. Carroll has spoken to you today, as far as I am aware, so this should be an expected communication.

Please let me know what needs to accompany this Request to Amend Island Taxi and Shuttle's capacity to 15 passengers rather than the current threshold of 7 passengers. This request is being made by the owner, Cleveland C. Carroll, and is endorsed by him.

Respectfully Submitted,

C. Clay Olson
